

## Year 3 half term home learning

As part of our next topic on colour, we will be focusing on the book 'The day the crayons came home'. Linking to this, we will be researching the following countries:

1. Russia
2. Spain
3. France
4. Poland

Please could your child pick one of the four countries and research the culture, landmarks and its location on the world map.

They can present their findings as they wish (poster, power point, writing and photographs are a few examples).

We also ask that your child continues to practise their times tables and spellings.

Year 3 times tables – 2's, 5's, 10's, 3's, 4's and 8's.

Have a lovely half term 😊

Mrs Cloke and Miss Brailey
